Notes:

Bold font identifies illustrative materials, such as illustrations, maps, charts, posters, photos, and tables. To distinguish them see coding below:

ch – chart
i – illustration
m – map
ph – photo
p – poster
t – table

Total time for index creation excluding the textbook reading is 20 hours.

Elena,
Excellent submission. You have demonstrated your knowledge of book indexing concepts. Your cross references are good--although you could have added more see references for practice. Otherwise, good. Your participation on the discussion board was satisfactory. Keep up the good work. 25 points out of 25 (Grade A) Kanti

ch – chart; **i** – illustration; **m** – map; **ph** – photo; **p** – poster; **t** – table
